

WORKS FOR ME

AUTOMATICALLY CLEAN. THE NEW AUTOMATIC XP

The new SEBO AUTOMATIC XP offers easy and effective floor care automatically: A computer control system monitors performance and adjusts the brush height to the optimum floor setting, ensuring the best performance at all times - whether on smooth floor or high pile carpet. Featuring the latest generation of our anti-allergy S-Class-Filtration, the AUTOMATIC XP is in the dust re-emission class of „A“.

MADE IN GERMANY

READY FOR EVERYTHING!

THE NEW SEBO AUTOMATIC XP

From the smooth floor to the high pile: The new SEBO AUTOMATIC XP is the intelligent all-rounder for any type of floor. The brush is automatically set to the optimum floor setting. Low hand weight of the one-motor upright vacuum cleaner assures easy vacuuming. In inaccessible corners the hose with telescopic tube is conveniently located and ready for instant use. Maintenance of the machine is quick and easy – so you can continue with the vacuuming.

01 Automatically optimum performance setting

The sensor-controlled optimum performance setting measures permanent the resistor of the rotary brush. The brush sets on every flooring, whether carpet or hard floor. In the lowest performance a rubber lip behind the brush will seal up and brings even the finest dust to the suction flow.

03 Flat design

The SEBO AUTOMATIC XP can even work when completely flat. With their low-profile design, they make it easy to clean under furniture.

04 Tool-free change of the brush

Very quickly and without tools the brush can be removed to clean away hair and fibre.

Changing a worn out brush is that easy too.

02 Filtration Class A

The SEBO AUTOMATIC XP has a three-stage filtration system consisting of the proven X- filter bag, the pre-motor Microfilter and the exhaust filter. Combined, these filters put the SEBO AUTOMATIC XP in the dust re-emission class of "A".

05 Functional wand

With the wand with integrated extending hose you reach a range of 2.60 m. The integrated equipment (upholstery nozzle and crevice tool) can easily be fitted on the wand or the hose.

SEBO AUTOMATIC	XP 10	XP 20	XP 30
RATED INPUT POWER	890 W	890 W	890 W
SUCTION	243 mbar [2476 mm H ² O]	243 mbar [2476 mm H ² O]	243 mbar [2476 mm H ² O]
AIR FLOW	43.3 l/s	43.3 l/s	43.3 l/s
FILTER BAG VOLUME	5.3 l, 3-layer	5.3 l, 3-lagig	5.3 l, 3-lagig
WORKING WIDTH	31 cm	37 cm	44 cm
WEIGHT	7.8 kg	8.1 kg	8.4 kg
CABLE LENGTH	12 m	12 m	12 m
ENERGY EFFICIENCY CLASS	C	B	A
ANNUAL ENERGY CONSUMPTION*	36.1 kWh	28.2 kWh	26.9 kWh
CARPET CLEANING PERFORMANCE CLASS**	D	C	E
DUST RE-EMISSION CLASS	A	A	A
SOUND POWER LEVEL	80 (d)B	80 (d)B	80 (d)B

* Indicative annual energy consumption (kWh per year), based on 50 cleaning tasks.

Actual annual energy consumption will depend on how the appliance is used.

** Not suitable for use on hard floors with delivered nozzle.
